

The GOOD, The BAD & The UGLY

Douglas C. Greene

President, Hixson Metal Finishing

Throughout Douglas's 24 years in the aerospace industry, he has lead several companies from their infancy into highly profitable organizations with stellar reputations for high quality, on-time delivery and great customer satisfaction. Since 2000, Douglas has led Hixson Metal Finishing, the premiere metal finishing company serving the military, defense, aerospace and commercial aircraft industries for over 50 years.

During his tenure at Hixson Metal Finishing, the company has seen unprecedented growth with sales increasing of almost 400% and with the aggressive introduction of continuous improvement at every level of the corporation, growth has accelerated.
